As I am writing this article, the year 2020 is coming to an end, a year that no one will ever forget. With the coronavirus and pandemic, thousands of lives were lost. For all of you who lost a loved one, our prayers and thoughts are with you and for all the front-line workers, first responders and for all those working day in and day out to save lives, Thank You. Let us make 2021 a year to remember in a good way.

Let us start by everyone going out and signing up a new member. If you know of anyone who has not paid their dues for the year, talk with them, and get them paid up. Because of the pandemic, there is not too much to report currently. For the first time, our annual conference was cancelled along with several Board Meetings.

With all the civil unrest going on, the US Department of Justice has announced that all local law enforcement agencies in the United States will be required to obtain new Federal Use of Force Certification to be eligible for Federal Funds in the future.

Reference to the Sherwood Youth Camp lawsuit, it looks to be coming to an end, as both parties have agreed to settle out of court.

In closing, I want to remind everyone that this is an election year for both the State Executive Board and Local Divisions. If you are interested in running for an office on the State Board, please have your letter of intent into the main office no later than March 15th, 2021. For your Division Board, contact your Chairmen to find out when he or she wants your letter in. Get involved.

Thanks for the support you have given me all these years.

God Bless and Be Safe

Respectfully:

Edward W. Hoes
Illinois Police Association
IPA President Robert C. Nichols

I should start out this Journal letter by stating how disappointed I am, along with the Illinois Police Association, and all of the police officers across the State of Illinois, whom are dealing with the new bill signed into law and awaiting the Governor's signature. HB-163 or HB-3653, is a Police Reform bill that will change how police officers and police departments conduct themselves in 2021 and beyond. Several police organizations were against this bill along with the Illinois Police Association. There were efforts to get signatures, send emails, calls made to state representatives, and all of this failed! These sponsors of this bill were able to get this bill passed through a "Lame Duck" session of Illinois Senate and the Illinois House. I know the future of Law Enforcement can withstand this "Defunding of the Police."

I hope all police officers and police departments across the state will attempt to unite and join organizations like the Illinois Police Association, Fraternal Order of Police, the Police Benevolent and Protective Association, The Illinois Chiefs of Police, and the Illinois Sheriff’s Association. We need to have a large membership to fight these bills against law enforcement in the State of Illinois and across the country. These state representatives, who are against law enforcement and what it stands for which is to "Serve and Protect". If you need information on the Illinois Police Association, please go to our website at www.ipacops.org. We are accepting new members now for the year 2021. If you are a member and want to renew your dues for $30.00 you can remain an active member to fight this legislation trend against law enforcement.

I hope everyone is remaining safe during the pandemic and I hope to see our members soon at one of our IPA divisional meetings and at the State Executive Board Meeting in April of 2021. I hope all police officers across the state stay safe and healthy in 2021.

Sincerely,

Robert C. Nichols
President-Illinois Police Association

IPA 2021 Scholarship Award Program

By Michael Jackson
Chairman Scholarship Committee

In 1994 the IPA Board decided to implement the annual scholarship award program. There were two dominant reasons for this decision:

1. To offer a recruitment incentive to prospective new members of the Illinois Police Association.
2. To reward our current members for their continued commitment and support for the organization.

On January 16, 2004, the Scholarship Committee held a meeting and reviewed the guidelines of the program. These guidelines were approved by the IPA Executive Board on April 6, 2004 to administer the program in a more efficient and effective manner for the benefit of our membership.

This information is being published to educate applicants and as a guideline for division officers during their review and processing of all required documentation.

All division chairmen will receive a copy of these guidelines and are expected to follow them so that their applicants receive proper consideration for the award. Any and all questions regarding eligibility should be directed to the corresponding division chairman. The scholarship committee of the Illinois Police Association will ultimately review all submitted applications for compliance and has the final decision regarding the awarding of scholarship funds.

The scholarship committee has worked hard to ensure the success of this ongoing program and asks that the following rules are strictly followed. Thank you for your consideration.

Eligibility:

1. A child (natural or legally adopted), regardless of residency, of an Active or Active Paid Up life member or a stepchild who resides in the same household of the IPA member. The applicant must be under the age of 24 as of November 1 of the corresponding scholarship year.

2. The member must be in good standing with the IPA for at least one year prior to the date of application.

3. The scholarship applicant must be a full time student carrying a minimum of 12 credit hours per semester or an equivalent number of hours per quarter in an undergraduate capacity.

4. Full time nursing students who meet the above criteria are eligible to apply.

Persons who are not eligible:

1. IPA members or spouses.
2. Students in a trade, industrial or graduate school.
3. Part time students carrying less than 12 credit hours per semester or an equivalent number of hours per quarter.

Continued on next page
Eligibility will be predicated upon each division's roster of Active or Active Paid Up life members as of May 1 of the current year. No transfer of members to a different division will be made within 12 months prior to the deadline for application submissions (November 1 of each year) for the purpose of benefiting in the scholarship award program. Applicants may apply to only one division.

Scholarship Expenditures:
1. The current award will be $500.00 per school year per student. Each eligible student in a family may apply.
2. Award winners may reapply annually.
3. The Illinois Police Association, Inc. will remit one lump sum payment of $500.00 to award winner. The payment will be made after the division chairman submits the winning application with all necessary supplementary documentation to the IPA office. All winning applications will then be reviewed and ultimately approved by the scholarship committee.
4. Each of the 13 divisions of the IPA will receive one scholarship annually (if so submitted) at a cost to the association of $6,500.00

Procedure for Selection:
All applications will be collected and screened by each division for eligibility and the submission of all necessary documentation. After proper verification the division board will prepare the names of all candidates for a random drawing. The winner will be drawn by the chairman at a regular meeting of the division no later than the 30th day of November in the corresponding year. The chairman will also draw the name of the one alternate winner who will not be announced.

Should the announced winner be ineligible for any reason then the alternate be awarded the scholarship and announced at a later date. Divisions should retain all submitted applications in event that the alternate is also found ineligible and yet another winner may have to be selected.

The winning application with all supportive documentation will be forwarded to the IPA office by the division secretary no later than December 15. Pending the receipt of all documentation in a timely manner, announcements of the official winners will be made by the chairman of the scholarship committee at the earliest scheduled board meeting.

If any division fails to submit the name an eligible winner no scholarship will be awarded to said division. Winners of the scholarships will be eligible to reapply the following year.

Verification of Eligibility:
The following must accompany all applications:
1. A copy of the applicant's current class schedule.
2. A copy of an invoice or statement from the bursar's office indicating full or partial tuition payment.
3. A copy or printout of a financial instrument electronic or other document showing full or partial tuition payment.

Important dead lines to remember:
*November 1 - Application due to division chairman
*November Division meeting -Random drawing
*December 15 -Winning application due at IPA office
