***Illinois Police Association
Official Journal
November 2022 Issue
From: Edward W. Hoes
Illinois Police Association***

With January 1st, 2023, coming up, the criminals in Illinois will have something to celebrate. That is when the “SAFE-T Act” goes into effect, giving them more freedom to do whatever they want and restricts Law Enforcement from doing their jobs in protecting the citizens of Illinois.

The following crimes would become non-detainable offenses, after the “SAFE-T ACT” goes into effect, meaning that criminals will be allowed to be charged with and released for these crimes without bail. These crimes are: Robbery, Intimidation, Burglary, Kidnapping, Arson, Aggravated Battery, Drug-Induced Homicide, Second Degree Murder, Drug Offenses, Aggravated DYUI, Fleeing and Eluding and Threatening a Public Official. Cash bonds will end effect January 1st, 2023. Law enforcement can no longer be evolved in car chases and even in some cases, foot pursuit (Just let the bad guys do whatever they want).

The SAFE-T Act puts more restrictions on Police Officers from doing their job and gives criminals more freedom in committing crimes and being able to get away with it.

If a law enforcement officer is accused of any wrongdoing or is accused of poor judgement, he or she is guilty and must prove themselves innocent. The criminal has more rights than officers.

IPA Executive Director Edward W. Hoes

Page 2

The officer is placed on desk duty, put on leave, or must go before a review board, where all they want to do is fire you. If an officer does not use their body camera the right way, it makes it a felony for an officer not to comply with laws and department policies requiring the use of body-worn cameras and prohibits officers from reviewing their own body camera video before drafting a report.

Another restriction against officers is that offenders can make anonymous complaints against police officers without a statement of facts and if those complaints are found to be baseless, they can never be expunged from the officer's record.

The "SAFE-T Act" protects the guilty and puts handcuffs on Law Enforcement from doing their job. Why risk your life if the justice systems are just going to release the bad guys, giving the criminals the right to go out and commit more crimes?

I only touched on several items within the "SAFE-T Act" There are many more. Look the bill up and read it for yourself. You will be surprised how it screws Law Enforcement Officers.

Let your legislators, attorneys, or anyone you can think of, voice your opinion, and let them know how you feel.

On a good note, the 120th Annual Conference of the IPA was a success.

I want to thank everyone who attended and to thank all of you who donated raffle prizes for the men and women's programs. A special THANKS to Ed Pacilli who helped sponsor the Saturday morning breakfast and to Chris Landcaster, one of our solicitors for the raffle prizes he supplied.

At the Saturday night banquet, three members were presented with the IPA's Lifetime Achievement Awards, Past Presidents' Larry Kearns, Ken Thomason, and Randy Benson. All three of these members will deserve of these awards for their dedication, demanding work, and countless hours of volunteering at the Sherwood Youth Camp. There is nothing that these men would not do for the Association. They worked for the IPA. Because of their challenging work, they helped make the IPA what it is today. They did not do what they did to get anything out of it for themselves, but they did it for the Illinois Police Association. The young group of elected board members we have now, should learn from their dedication. Ask not what the IPA can do for you but ask what you can do for the Illinois Police Association. Go by your sworn oath of office. Have a Merry Christmas and a Safe New Year.

Until we meet again: God Bless

From: Fred J Garza
Illinois Police Association-President

Welcome all members, I would like to talk about the Illinois Police Association Conference that was held on September 16th and 17th 2022 at the Sheraton Hotel In lisle Illinois. The conference was attended by 21 Delegates and Special Guests. It was great conference in which 3 Lifetime Achievement Awards were presented to members that were well deserving.

The first award was given to Larry Kearns in which he was Past President and current board member of his local board. Larry has given this organization a structure by his presence by promoting and volunteering for this organization. Larry supported Sherwood Youth Camp by donating his time for the camp in the past. Larry always assisted this organization in every way possible when needed. Members like this is why this organization is still present.

The second award was presented to Kenneth Tomlinson for his dedication and countless time to this great organization. Ken has been Past President, Auditor, By Laws committee moderator and volunteer. Ken has given his time and effort in the Sherwood Youth Camp in the Operations and repairs of the camp without compensation. Ken further volunteers at Conferences be it by being on certification of delegates and or resolution committees. Ken gives his total and complete attention to every task that he volunteers for or was asked to be on. He is always there when you need a helping hand that's why he was given this award. Ken is the upmost dedicated and positive influence for all members to believe in and identify with. Ken is the measure by which each and every member should listen and accept his input for making this organization go forward.

The third award was presented to Randy Benson. Randy was Past President, Sherwood Camp Board Member, Local Division Chairman, and Volunteer in the Operations and Repairs of the Sherwood Youth Camp and current Sherwood Charities Board Member. Randy has assisted Executive Director Ed Hoes on many Projects by assisting with the Conferences, the sale of the Camp and overseeing the closure of the camp. Randy is the professional volunteer for this organization in which he has performed countless duties to make this organization viable to members and propose valuable means and ways to continue promoting this organization. Randy gives his heart, mind body and soul to this

IPA President Fred J Garza

organization. Randy has operated in so many capacities for the benefit of this organization that we do not have enough paper to write them all down.

Congratulations to all three recipients. Randy Benson then proposed that Executive Director Ed Hoes be awarded the Lifetime Achievement Award also in which Randy explained all the accomplishments that Ed Hoes has performed for this organization. The Award will be presented at the December Executive Board Meeting. The next conference will be in Springfield Illinois at the Crown Plaza hotel. I would like to thank all of the members that attended the conference and their time to this great organization.

I would like to say Happy Thanksgiving, Merry Christmas and Happy New years to each and every member. Time with you family is the most precious commodity that you can ever have.

Sincerely

President

FROM THE

KITCHEN TABLE

OF EDWARD C. PACILLI

Greetings,

This is not a column about food.

Let me introduce/re-introduce myself. I've been the IPA Attorney since 1999. At that time, I inherited a column named GOP Law Corner. It ran every other month in our old official journal that was an actual printed magazine mailed to you directly, six times a year.

The IPA now has a digital version of the journal, and I was asked if I could contribute to it in somewhat the same way.

Back in 1999, along with a practicing attorney, I was also a full-time active police officer. I started on the job in 1978 and retired 25 years later in 2003. This allowed me to have constant contact with active police officers. It seems they always had questions that started with "Hey, you're a lawyer, what about..."

Some questions were about police "stuff", but mostly questions about non-criminal legal matters. Questions about real estate, real estate investments, setting up LLC's and corporations, family law, etc....

Cop Law Corner, (I never really cared for that name) became a sort of Dear Abbey-like column, I tried to give useful advice based on questions I was being asked.

At this year's conference, it was reported that the IPA was 4,500 paid up Life Members. I'm guessing but, I imagine most are retired and over the age of 50. I would like this column to be relevant and useful to both retired and active officers.

For this column to work as I envision, I need your questions. Just leave me an e-mail. I also will see about getting guest contributors in areas of general interest.

This past week, I have had four senior citizens call me with basically the same question: "I want to leave my house to my children without any problems." The callers

IPA Attorney Edward C. Pacilli

Page 2

think that they may need some sort of trust to avoid probate.

Now, a trust will accomplish the goal of avoiding probate. It will not be hassle-free, and it will be somewhat expensive. The answer is a "T.O.D.I." It stands for Transfer on Death Instrument.

Basically, a T.O.D.I. is a document filed with your county of residence that directs your home to be transferred to your designee(s) upon your death. The designee(s) will have no ownership liability regarding your property. Also, they have no tax consequences, nor can they use it for collateral to take out a loan. They cannot sell it either. Upon your death, they contact the county and advise of your death, fill out some simple paperwork and the deed is put in their name.

Contact me if you have any questions about T.O.D.I.'S.

The above is an example of questions that I am looking for.

One last thing, the title "From The Kitchen Table of Edward C. Pacilli" is my attempt at a little humor (very little) that for the past two years, almost everything I do is on Zoom from my kitchen table. My kitchen now contains a computer, printer, laptop, and an iPhone. I can answer the phone, read and respond to e-mails, fax, scan, and appear in a courtroom 50 miles away and never leave my kitchen table. Personally, I like it.

I am open to any suggestions for a better name for this column.

Please send me an e-mail or text. I am really looking forward to hearing from you.

Be safe.

September 17th, 2022***Minutes of the 120th Annual Conference******From: Edward W. Hoes******Illinois Police Association***

The 120th Annual Conference of the Illinois Police Association was called to order by President Fred Garza at 09:30AM with the Pledge of Allegiance to the Flag and a moment of silence for all our fallen brothers and sisters. 1st Vice President Calvin Stearns gave the Invocation.

Roll call of officers were read off. Excused was Past President Robert Nichols. President Garza welcomed those attending the conference and hopes everyone has a fun time.

Constitution and By-Laws. Two (2) changes were submitted. The first changing the wording of the committee: Sherwood Youth Camp Board of Directors to read: Sherwood Charities Board of Directors. This proposal was adopted. The second proposal, submitted by Past President Sue DaRif and IPA Attorney Ed Pacilli is reference to Officers & Elections, Eligibility For Elected Office. This by-law change is from over three years ago in reference to electing an Executive Director or appointing one. After much discuss again, the proposal was TABLED to the next Executive Board Meeting in December and for the Attorney to produce the correct and proper wording and end this BS.

Ed Hoes reported that the Sherwood Charities Board of Directors met several times. Each Division will be allowed \$1,000.00 for a Charity of their choice per year. The money must be used within the year. No carry over from year to year. Active members of the IPA will be allowed \$2,000.00 and non-members requesting a donation can receive \$1,000.00. Proof that the association they are asking for the donation for will need to be a 501c3. The Charities Board of Directors will decide whether the person requesting the donation will receive it or not. The board will be meeting again before the end of the year, and they hope that this program will be ready to go sometime after the first of the year 2023.

Past President Ken Thomason reported that the Audit Committee meet at the office and the books and checks were found to be all in order.

Death Benefit: Ed Hoes reported that since the last conference, there were fifty-six claims submitted for review. Three (3) claims were approved for \$600.00 each, total \$1,800.00. Forty-eight, (48) claims approved for \$400.00 each, total \$19,200.00, four (4) claims approved for \$4,000.00. (Non-member killed in the line of duty) and one (1) claim was denied, as the member was over the age when joining. A total of \$25,000.00 was paid out in claims.

Next year's conference will be held on September 22 & 23, 2023 at the Crowne Plaza Hotel, Springfield. A special thanks to everyone who donated prizes to the men and women's programs, to Chris Lancaster for his donation and the IPA Attorney Ed Pacilli, for co-sponsoring the Saturday morning breakfast.

Robert Roman, President of Investment Counsel, Incorporated stated that reference to our investments, over a time from 8/31/2021 & 8/24/2022 the overall portfolio has seen a decline of 14.39%. The portfolio is balanced and well diversified with approximately 62% of the assets invested in the market

(equities) and 38% in fixed income (bonds) Mr. Roman would not recommend any changes at this time.

Bob Madura reported that eleven officers made the ultimate sacrifice last year. Next year's memorial is set for May 4th, 2023.

President Garza read the Scholarship Committee from Mike Jackson. He reported that four names were submitted and approved.

North Shore: Sydney Fitzgerald, Tri-County: Emily Kopka, Blackhawk: Meghan Bird and Kickapoo: Rachel Due. The committee talked about raising the amount of the scholarships with the Sherwood Charities donations.

At the Saturday night banquet, President Fred Garza presented three well deserved members the "Lifetime Achievement Awards" Past President: Larry Kearns, Past President Ken Thomason, and Past President Randy Benson. All three of these members have dedicated their time and have worked hard throughout the years in making the Association what it is today. We need more members like these.

See you at next year's conference.

God Bless and Be Safe

Respectfully:

IPA 2023 Scholarship Award Program

ILLINOIS POLICE ASSOCIATION, INC. 2023 Scholarship Award Page 1

By **Michael Jackson**
Chairman Scholarship Committee

In 1994 the IPA Board decided to implement the annual scholarship award program. There were two dominant reasons for this decision:

1. To offer a recruitment incentive to prospective new members of the Illinois Police Association.
2. To reward our current members for their continued commitment and support for the organization.

On January 16, 2004, the Scholarship Committee held a meeting and reviewed the guidelines of the program. These guidelines were approved by the IPA Executive Board on April 6, 2004 to administer the program in a more efficient and effective manner for the benefit of our membership.

This information is being published to educate applicants and as a guideline for division officers during their review and processing of all required documentation.

All division chairmen will receive a copy of these guidelines and are expected to follow them to that their applicants receive proper consideration for the award. Any and all questions regarding eligibility should be directed to the corresponding division chairman. The scholarship committee of the Illinois Police Association will ultimately review all submitted applications for compliance and has the final decision regarding the awarding of scholarship funds.

The scholarship committee has worked hard to ensure the success of this ongoing program and asks that the following rules are strictly followed. Thank you for your consideration.

Eligibility:

1. A child (natural or legally adopted), regardless of residency, of an Active or Active Paid Up life member or a stepchild who resides in the same household of the IPA member. The applicant must be under the age of 24 as of November 1 of the corresponding scholarship year.
2. The member must be in good standing with the IPA for least one year prior to the date of application.
3. The scholarship applicant must be a full time student carrying a minimum of 12 credit hours per semester or an equivalent number of hours per quarter in an undergraduate capacity.
4. Full time nursing students who meet the above criteria are eligible to apply.

Persons who are not eligible:

1. IPA members or spouses.
2. Students in a trade, industrial or graduate school.
3. Part time students carrying less than 12 credit hours per semester or an equivalent number of hours per quarter.

IPA 2023 Scholarship Award Program

ILLINOIS POLICE ASSOCIATION, INC. 2023 Scholarship Award Page 2

Eligibility will be predicated upon each division's roster of Active or Active Paid Up life members as of May 1 of the current year. No transfer of members to a different division will be made within 12 months prior to the deadline for application submissions (November 1 of each year) for the purpose of benefiting in the scholarship award program. Applicants may apply to only one division.

Scholarship Expenditures:

1. The current award will be \$500.00 per school year per student. Each eligible student in a family may apply.
2. Award winners may reapply annually.
3. The Illinois Police Association, Inc. will remit one lump sum payment of \$500.00 to award winner. The payment will be made after the division chairman submits the winning application with all necessary supplementary documentation to the IPA office. All winning applications will then be reviewed and ultimately approved by the scholarship committee.
4. Each of the 13 divisions of the IPA will receive one scholarship annually (if so submitted) at a cost to the association of \$6,500.00

Procedure for Selection:

All applications will be collected and screened by each division for eligibility and the submission of all necessary documentation. After proper verification the division board will prepare the names of all candidates for a random drawing. The winner will be drawn by the chairman at a regular meeting of the division no later than the 30th day of November in the corresponding year. The chairman will also draw the name of the one alternate winner who will not be announced.

Should the announced winner be ineligible for any reason then the alternate be awarded the scholarship and announced at a later date. Divisions should retain all submitted applications in event that the alternate is also found ineligible and yet another winner may have to be selected.

The winning application with all supportive documentation will be forwarded to the IPA office by the division secretary no later than December 15. Pending the receipt of all documentation in a timely manner, announcements of the official winners will be made by the chairman of the scholarship committee at the earliest scheduled board meeting.

If any division fails to submit the name an eligible winner no scholarship will be awarded to said division. Winners of the scholarships will be eligible to reapply the following year.

Verification of Eligibility:

The following must accompany all applications:

1. A copy of the applicant's current class schedule.
2. A copy of an invoice or statement from the bursar's office indicating full or partial tuition payment.
3. A copy or printout of a financial instrument electronic or other document showing full or partial tuition payment.

First Responders! Get Away From It All With California Casualty's Work Hard/Play Hard **"\$10,000 Camping" Giveaway**

California Casualty wants to thank the Illinois Police Association first responders for all that they do, including the seemingly impossible efforts needed to overcome the challenges of recent times, California Casualty launches its 2022 Work Hard/Play Hard "\$10,000 Camping" giveaway.

The contest invites all interested firefighters, EMTs and law enforcement to enter to win \$10,000 to purchase outdoor gear that lets them disconnect from the hectic, fast-paced daily grind and reconnect with friends, family and nature.

It's a prize intended to give one lucky first responder the funds needed to have the peaceful, restful, outdoor quality time they all deserve.

Firefighters, EMTs and Law Enforcement officers can enter at www.policefiregiveaway.com/rm. **The deadline to enter is November 18, 2022.**

"First responders do the hard work keeping our communities safe," said California Casualty Sr. Vice President Mike McCormick. "We owe the dedicated professionals who protect our communities this *thank you* for all that they do."

Previous Work Hard/Play Hard sweepstakes from California Casualty have awarded public safety personnel ATVs, DeWalt Tools, motorcycles, and cash. Past winners include an Oregon Police Officer, Colorado Sheriff's Captain, Firefighters from California, Iowa, Nebraska, Ohio, Oregon and Pennsylvania, and California Peace Officers.
